

UNEXPECTED COMPANY CHORALE

The Unexpected Company Chorale is honored to be a part of a community that supports the arts and grateful to be a member of our thriving arts community. To those of you that have been sponsors in the past, please accept our heartfelt appreciation. Your support has been critical to our success!! For our 2025-26 season, we are seeking to renew that support. Unexpected Company Chorale is a non-profit choral group that includes members from the Chisago Lakes, Forest Lake, North Branch, Taylor Falls, St. Croix Falls and Scandia areas and beyond. We provide an educational music experience for our members while creating entertaining concert performances for our audiences. In recent years we have expanded our programming by sponsoring vocal workshops and choral festivals, where we seek to expand the art of singing with both our high school and adult members of the community. If you have any questions or are interested in learning more about Unexpected Company Chorale, check out our Facebook page or visit our website at www.ucchorale.org.

We invite you to join our growing list of supporters, or to renew and possibly increase your support from prior seasons. Your contribution will enable the Chorale to continue fulfilling its mission of bringing quality choral music to the Chisago Lakes Area. We have several levels of support with corresponding benefits we hope will be valuable to you.

Please list your name or business on the form below, just as you would like it to appear in our programs. Send your form to UCC, PO Box 4, Lindstrom, MN 55045
